I'm out walking buddy and Paul's got my number off kgs and rang me. Says house is billowing with smoke and fire alarm going off. Anyone got a key I'm like at the furthest point

Shit I put dog food in oven forgot to ask you to take it out x

There's only Greg x

Can you not get back x

I'm winding you up. Dixkhead.

I turned it off Warren don't worry

Well it's not gas x

No just deadly gas x

It was cooking x
