Going for a run. I should be back around 8:30 if I'm needed before that just call. You said that your hair is at 9am so 30 mins hopefully will be enough. Just trying to squeeze some exercise in this weekend. Hope that's ok. If you text saying I have longer than 8:30 that's also cool. I'll try and keep an eye on my watch. But if you need me home asap ring as I will deffo see that and I'll head back. If I have time later I'll go the gym and do some weights. Just giving the pain killers a few mins to kick in as I'm aching

07:33

Can you bring me a tea 🥺 08:30
