I dunno. Just see if I come on before we make any decisions but I need you on 8th Oct for the fertility

That would be special x 11:22

Well my skin is getting bad really quick maybe the sperm will. Well we never know the 30th could be the date of conception x 11:22

May as well do this first and get 30th out the way I'll feel better after then 11:18

Don't think your sperm count will be back up that fast 11:17

That's your choice and I'll support you x 11:17

Dunno why 11:16

Kinda don't wanna be pregnant before the 30th 11:16

Well let's just see if I come on. If I do I may as well go through with donation x 11:16
