Why have you done a boots Dr thing in my name 🤔 05:09

Have I? What for? 05:09 ✓✓

Was it antibiotics??? 05:09 ✓✓

Last time when you asked do I want you to come with me to get your antibiotics I told you they wouldn't give you?

If it's not that I don't know what it is 05:10 ✓✓

You
Was it antibiotics???

Yeah 05:20

Why have you done it 🤔 05:21

At like 3am 05:21

11 Oct 2022 Today? 05:32 ✓✓

If I did one it would have been the last uti and under your instructions. I haven't done one otherwise. I may not have even done one then. I just remember looking on their website 05:32 ✓✓

You Today?

Yeah. Weird 05:35

Time you back? Smells like Erin has weed and I don't have time to do out 05:36

Katie Kelly

I've just chased Coventry. They're waiting for me to pay the early repayment charges for the mortgage. They've not asked me to do it though 🙄 just paid it and should be in my account start of Nov

13:35 ✓✓

£480 though 😭

13:35 ✓✓

So the money to buy the house will be another like 3 weeks 🙄

13:35

Yes but they want proof of funds.

13:36 ✓✓

I dunno what that means

13:36

I've filled it in saying I don't have it will have it start of Nov (they will come back saying why? Which will mean we'll have to pay stamp duty)

13:37 ✓✓

However they said they need proof of £6500

13:37

Which I don't have

Katie Kelly

I dunno what fhat means

Proof of funds is
A) to prove you have the money otherwise why waste time
B) to show a paper trails where it's from 13:38 ✓✓

So what do I do? 13:40

Check your emails 13:41 ✓✓

Oh I cba 13:42

Cant you do it 13:42

13:42 ✓✓

who continues to work by bike or frequently engages in cycling for recreation or exercise? Take note: A study published in the April 2018 issue of *The Journal of Sexual Medicine* found that women cyclists are more likely to report a history of UTIs than noncyclists are. The exact reason for the connection isn't known, but one theory is that women's shorter urethras may be a factor. "The compression with cycling could be contaminating the urethra," says study lead author [Thomas Gaither, MD](#), a
