09:52 ✓✓

Plus I can take him to and from beacon farm when needed

09:52 ✓✓

It's just not a good idea and I've said I'm not comfortable with it so if anything happens to the kids or the dogs ill never forgive you. It's not about affecting your dad or your mum it's just a no cause its not safe.

10:00

Ok I'll let him know. We have had him before and he's always been fine. He's never had an issue with humans only dogs

10:11 ✓✓

We had him before he started fighting with seamus and brandy, before blue got bad and before Erin came along. Its different now. You surely see that.

10:19

I wasn't 100% comfortable but I think it's just over worrying. It's a

I wasn't 100% comfortable but I do think it's just over worrying. It's a shame as he really is a nice dog. Just like blue

10:38 ✓✓

I know but it's a huge risk and there's a reason it's just seamus he needs help with x

10:56

We may have another pet by the end of the day though 🙄

You

Guessing it's not just uti then

No I think its the uti mainly 17:12

Mainly? 17:12 ✓✓

But I do think I'd like the sex to be  
how I like it once in a while 17:12

It's always centred on what you  
like 17:12

And I feel I've changed a lot to  
please you and meet your needs  
but you don't afford me the same  
17:13

Agreed. I'm happy to do that I just  
want to make sure you cum as well  
17:13 ✓✓

I can separate sex from  
relationship. Only reason I don't  
want sex is when you've pissed me  
off bad. 17:14

So it's not a relationship problem  
it's a sex problem 17:14

17:15

Like what 17:15 ✓✓

You don't talk. I do try and talk more and say stuff

17:15 ✓✓

You say I don't talk but you also need to learn to do that

17:56 ✓✓

17:59 ✓✓
