How's Erin x 08:14 ✓✓

On fire and needing a wee every 5 mins 08:15

We might need to book her in to see the GP x 08:15 ✓✓

Already tried 08:16

I certainly won't be forcing her to go to nursery 08:16

If she's not well can't really send her in x 08:17 ✓✓

She was unwell when you told me we had to send her in 08:18

Well you're wfh and that was before she was as bad as last night x 08:18 ✓✓

She has come on worse since that convo x 08:18 ✓✓

Convo was this morning. I can't do meetings with her. 08:19
