Cheerios 15:22

Any particular bedding? 15:25

Or will rainbows suffice 15:26

Just something that fits the duvet.  
I envision I'll be sleeping there for a  
few months 15:26

So no preference 15:27

Just let me know the price of of  
the different sizes. If a superking is  
cheap enough that's an idea 15:28

I don't think you'll need a super  
king duvet hold on a minute 🤔🤔  
🤔🤔🤔🤔🤔 15:29

I've got a single in me trolley here  
🤔 15:29

Well we have super king bedding  
and I can wrap it round 15:2

If you get single won't need
