so for someone to be there who

has made no effort 12 Sep 2017 W 50

little is the straw that broke my

back. She's had plenty opportunity

to go for meals wtf we have even

asked to no avail. I simply wouldn't

get down the aisle and it'll all be

for nothing.

14:14

It's gonna have to be a no to

Andrea or a no to everyone and do

it just family

14:15

Since I announced the

engagement I've had so many

messages saying I'll never go

through with it and I'll have to be

dragged down the aisle but I

thought no I think I'll actually be

ok. But not with people there who

I'm not comfortable with. I don't

even think if I spoke to you your

response would be any different so

no point talking about it. Should

just do family

14:18

Whatever I don't have any choice

with anything.

14:19

You have a choice. I also have a

choice whether or not I see/Pricey

14:19

You have a choice. I also have a

choice whether or not lee/Pricey

are there. But I made that choice. I

could be a bitch and invite Warren

but not Michelle but I constantly

think of you in all my decisions. But

yet you have no choice? I can't

stand Michelle and still make an

effort cause she is your friends bit.

How do you have no choice? See

how you make everything about

You? How can I talk to You?

14:24

Since when don't you like

Michelle? Since Joshua's bday?

Well you invite Lee and pricy if you

want if that means I keep Andrea x

14:26

I've never liked Michelle. We

constantly tried to do things with

them and they never bothered.

14:28

I think we should just do family that

way I can walk down the aisle

...and they never bothered.

Just sleep on it. I always try to make you happy one of the very few things I want in this wedding is Andrea to be there. I begrudgingly accepted she wouldn't be at Gretna but it's increased since then the numbers a local venue. I would be very upset if Andrea wasn't there. Normally I do everything to accommodate you. This is one of the few things I'm asking of you. Warren greg Andrea would make me happy x

14:32 //

My feelings will not change. She makes no effort and I feel

uncomfortable around her. I don't know her. She will never make an effort and she will never even look

me in the eye. I've done nothing to upset her. I'm never gonna be able

to talk to you unless you start being understanding.
