Don't care if it's 2am you're going

Well please talk to me before Andy.
It's embarrassing. Also you could
have tried to arrange a better time

I'll do what I like when it comes to
my willy and balls thanks. I own
them x

I'm gonna have to book a day off
for that. Also please stop
messaging Andy x

You will be having an injection so
driving is not advised so book it off

11.40 and Andy says that is fine x

Oh what time? I don't mind going
but got loads booked in. Please tell
me it's like 4pm x

Your ultrasound for your balls is
28th may I've sorted it with Andy x
