Do you mind staying down there I need some time on me own

Completely up to you I've tried talking hugging all sorts. You've said leave you alone so I'm trying that. I don't think it's healthy but if that's what you want I'll do that x

You've done fuck all

I have tried but your mood has just gone down. You was happy yday morning then sad by evening then a bit better last night then woke up this morning not speaking to me. I want to help want to listen want to hold you whilst you cry and try and make things better. All you say is leave you alone so I'm trying that now. Just let me know what to do x

I refuse to tell a grown man what to do. You know full well you've not supported me through this. That's on you.

on you. 31 Mar 2018 22:20

Put the egg on the couch 22:20

I have tried but you won't let me in. You've told me sod all and won't talk. As always I am here if you want to talk. I have tried to tell you it's not your fault. You can't blame yourself about taking the pill. I honestly don't think that caused it. It was a very unfortunate and saddening thing but not your fault. It had already started well before you took the pill x

Not doing this over text 22:27

You seem to be better over text. Want me to come up now x

? 22:34

Balls in your court again. Let me know if you want to talk x 22:46

There's nothing you can do to fix what you've done 22:59

I don't know what to do. You tell me to stay down here I go up denying your wishes and that's wrong x 22:56

You've told me to stay down here x 22:55

If you want to talk I'll come up and talk. Or even just if you want me to hold and rub you x 22:55

No you were asking me what to do 22:55

Well I've just been up trying to talk to you and you ignored me. If you talk to me then problem solved x 22:54

I'm not your life coach 22:52

I refuse to tell a grown man what to do. You know full well you've not supported me through this. That's on you.

What have I done? I've tried to comfort you but you're having none of it. You've woken up today hating me. You didn't hate me last night but you woke up hating me I've tried to talk you won't. I've tried to just hold you you wouldn't. I've tried being there but you won't let me x 23:01

Whatever you say. 23:03

Do you want me to stay down here or come up? I don't know the right thing. You've said stay down here but personally I think that's the wrong thing. But I can't do right for doing wrong x 23:04
