It closes in 5 hrs. I haven't showered and you wanted me to have her this morning and now you want to go for a run. Yet again I wont be able to go.

11:02

Plenty of time. I'm going for a run in 10 mins. Probably be back in one hour. So you have four hours x

11:03

I have two ships to go and I'll be two hours and need a good shower. I dont have time. But your run comes first even though you can go after 🙄
