Hoping to have all debt paid off by Frankday x

I can't decide between Erin Margot Kelly-Gibbons or Erin Evelyn Kelly-Gibbons x

Margo Gibbons x

Not a fan of Erin Evelyn x

I'd could do Erin Margo or even Margo Erin x

Margo Evelyn not bad x

Just the EE doesn't fit x

I don't think Erin goes as well with Evelyn either. But it's defto Kelly-gibbons and defto spelt with a t

I can compromise with the T. Just

25 Feb 2019

I can compromise with the T. Just think people will think it's Mar-Got

x

14:23 //

It's a middle name

14:24

I won't be going for Margot as first

name that's for sure

14:24

Lets just hope it's a boy. Cono

frank Gibbons much easier 🙄 x

14:27 //

Connor Kelly-gibbons. I'd be

careful pushing this because I'm

gonna get fed up of compromising

soon and call it Kelly

14:29

Connor Kelly and Erin Kelly sound

loads better anyway

14:29

See I think gibbons sound much

better 🙄 x

14:31 //

E 14:31 //

I think me being single sounds

much better

14:31

No I won't mal I hate being pregnant and agreed to do it for you with the condition being we double barrell the surname. I got that point across before I got pregnant for a reason. So don't try and cause an argument over it now. It's Kelly or Kelly gibbons you decide 14:45

Right calm down x 14:42 //

Ungrateful prick 14:41
