Any help on actually answering x

12:46 //

12:46 Eh

Well thought the actual question

was too hard to answer. Thought

you needed guidance on how to

answer it x

12:47 //

I'm not allowed any more guidance

she just refers me to content on

blackboard

12:47

I've moved on to section 3 as it's

just driving me insane. I'm hoping

some of the guys will point me in

right direction tomorrow

12:54

Guidance on what to look at and

structure is allowed x

12:58 //

13:11 it's all in the content

So do you know what you're doing

now x

13:11

13:17 Not with part 2

13:17

I'm just working on my journal atm

13:18

13 Mar 2017

Exactly 15:59

Really? That seems very out of character for him x
15:58

He's just inhaled his dad over phone I'm well shocked. Thought he would tone it down speaking to him or change his mind. Called him a liar and stu said just come tomorrow he shouted no you're not the man you used to be (🤔) and said he wants to spend weekends with you from now on
15:58

Possibly. If my motivation starts dropping I'll have to go the gym. If it's not then yea. However either way when I get back for the gym you can go x
15:57
