20:57 // And Erin?

20:57 // You said you was going to bed. I just put some tv on downstairs so I didn't disturb you x

No I was annoyed you stayed in bed for 3.5 hours. I asked you when are you going the gym you said "when I have drank this tea" you went two hours later. I could have done my work out and have been back. It's what I'm trying to say about respect. Not fair in my books. Could have both gone. I would have just taken Emily to football whilst you was in the gym but I didn't even get to go x

Can you bring me a drink so I can take some pain relief I can't get down them stairs like this

21:08

You were treating me like shit long before the kids misbehaved

21:06

I've not. Just pissed off I get no respect and all I do is clean up after everyone. It's not exactly fair. I've been on my feet 13 hours today. The kids just do what the fuck they want and there is no discipline x
