Jamie's 6 Apr 2022

16:01

Mango 16:04

Need help quick 16:30

16:30

My whole left side has gone I can't move

16:31

You want me to ring an ambulance
x

16:31

Hello? 16:31

Never mind 🤔 16:32

What? x 16:32

It was cause she was leaning on my arm and leg 🤔

16:32

There's an ambulance on the way x

What? x 16:32 ✓✓

6 Apr 2022

It was cause she was leaning on
my arm and leg 😅

16:32

There's an ambulance on the way x

16:32 ✓✓

I moved her with my right arm and
now I can move

16:32

Katie Kelly

I moved her with my right arm and now I
can move

16:32 ✓✓

I think I passed out for a minute

16:32

Well you can explain that to the
EMT x

16:33 ✓✓

Just cancel it. Feeling coming back
just really dizzy

16:33

CIVIL X

16:33 ✓✓

6 Apr 2022

Just cancel it. Feeling coming back
just really dizzy

16:33

Panicked a bit then 🤔

16:33

Urgh just tell them you're ok x

16:33 ✓✓

Thought I'd had a stroke my heart
was going mental

16:34

You

Urgh just tell them you're ok x

Just cancel it please dr is ringing
for Erin in 6 min

16:34

Just tell them you text me saying
you was having a stroke but you
meant flicking your bean x

16:34 ✓✓

Erin's breaths per minute are 55
I'm just showering quick then
taking her

16:43

Do you have to ring first x

37.8 18:58

And blood sugars through roof?

18:58

Are you a broccoli? 18:58

Katie Kelly

Are you a broccoli?

Shamrock. Had and allergic reaction and had a red face for days in the shape of a shamrock x

18:59 ✓✓

Katie Kelly

And blood sugars through roof?

She's had a few cherries x

18:59 ✓✓

Still abnormal 19:00

Thet consider if it reaches 11 she has diabetes and she's 10.7

19:01

Bloody hell that is high x

19:01 ✓✓

Good job we came 19:08

08:14

Bloody hell that is high x 19:01 ✓✓
6 Apr 2022

Good job we came 19:08

Why 19:08 ✓✓

???? 19:13 ✓✓

Blood sugars 19:14

What are they doing about that c
19:14 ✓✓

Apparently illness affects it 19:14

Ahhh so could be a side effect of
her illness x 19:14 ✓✓

Not a fucking clue waiting in a jam
packed waiting room 19:14

You

Ahhh so could be a side effect of her
illness x

That's off google 🤔 19:14

They were like what has she eaten
whys it so high looked all panicky
then tell me sit out here 🤔 19:15

Do they even know me

08:15 ↗

They were like what has she eaten whys it so high looked all panicky then tell me sit out here 🤔

Did you say a load of sugary cherries x 19:38 ✓✓

Off for a chest xray 19:53

How is she x 19:54 ✓✓

Perked up watching encanto but fallen out with doc 19:54

Why x 19:55 ⌵

Bloods 19:56

08:15 ↗

19:04

6 Apr 2022

Why x 19:54 ✓✓

Bloods 19:56

And his stethoscope was cold

19:56

Did he let her have a go x

19:57 ✓✓

Just back from xray they've put us
in the resus room but she's
honestly fine

20:09

So doubt they'll keep her in? x

20:10 ✓✓

Katie Kelly

6 Apr 2022

Sat watching encanto 20:10

I dunno I've never been in this room since I had a few fits as a kid

20:10

I think it'll be a while it's so busy
I'm shocked she's been seen
before everybody who was already
in

20:11

There was a room full when I
arrived and only 1 went through
