I'm more than happy to piss away fuel to drive to work every day and lose two hours or more of my life everyday as you're too selfish to allow me to work 12:36

Of course 12:36

Don't complain to me about not being able to work when you don't have that common courtesy to me. So self centred it's unbelievable 12:38

For sure 12:38

Can you please not use my sponge x 19:48
