

Be present, emotionally. You never know, you might actually enjoy it.

Katie x

Sorry I wasn't as active/tidy as you wanted me to be. Sorry I wasn't proactive all the time. From the moment I met you, I knew I would marry you. I loved you from date five. I'm so glad we had Erin because watching you be a dad to her made me love you all over again. I hope you spend the rest of your life making sure you and the kids are happy rather than worrying what others think of you. Be less stubborn, less petty and let some things slide. We're only human and we're only here for a short time. I'm sorry I wasn't ambitious, I just had everything. Take care of my babies papa bear.

Mal,
