I'm not happy about these vouchers when I'm feeding my kids noodles. Fans to keep us cool

12:04

Also fans? x

12:04

Well it's not like I spend a lot of money on me. I need the shorts for 33 degree heat. Otherwise I'm wearing jeans x

12:01

I have to take shitty ones too I don't see why I'm buying you new clothes and shoes when we need food and fucking fans!

12:00

I saw the playing text on my watch whilst in a meeting x

12:00

Well it was just an idea as I'll have to take them orange trainers x

11:59

Can't believe you're spending these vouchers on shoes when they can be spent in places like Iceland and were skint!!

You don't need popcorn. A pair of sensible shoes as well be walking loads and shorts so I don't over heat in 33 degree heat is more sensible buy x

12:13

I've never bought pepperami I have no idea on price and popcorn I need

12:11

Well pepperami was £2.75 might as well of bought proper meat. That popcorn is £3 could be spent more wisely x

12:10

I didn't want to ask you for meat cause you said you were skint. That won't do them until sat mal.

12:09

Just leave it I'll not bother x

12:09

Well I went to Asda and you request pepperami. I've never said no to but food. I told you I bought some sweet and sour for them x
