11:19

I just asked how long it'll be until I

get a call it's been 4 days since I

saw my son. She said I will try for

Instagram

11:23

Well like I said. If you want x

11:22

11:20

Well you can see him if you want x

11:20

I just asked how long it'll be until I get a call it's been 4 days since I saw my son. She said I will try for today. So basically it can be Tuesday before I so much as get a call

24 May 2019

ADHD or ASPERGER'S x 11:19

I'm not going to stoop to that level

Just leave him to it. You don't want to see him and he's doing the wrong thing. You can ring school and stop stu getting him x

Cunt I think you mean x

So manipulative

Picked him up early again.

Like I said they're not stopping you having him. Stus just a fucking retard x

It's now Friday of a bank holiday so next I can possibly hear from them is Tuesday. That's a week. Disgusting.

24 May 2019

James will be loving spending

15:50

I believe in karma so I'll let things work themselves out. Hes moved James in with yet another woman and he has yet more brothers and sisters. This is a recipe for fucking disaster

15:49

I'm not saying do that. Im saying you can if you want x

15:49

And stu will be loving making out hes saving his son from danger 🤔

15:49

But James will be loving leaving early every day

15:48

I'm not going to stoop to that level mal. I think hes been asking to come home and stu is petrified of him seeing me at pick up and saying so

15:46

Just leave him to it. You don't want to see him and he's doing the wrong thing. You can ring school and stop stu getting him x
