If you mean from Argos it could well be. It should tell you. If they have it in stock they just reserve it but why do we need a baby gate? Icarus doesn't need one now x

20:42

OK. Sorry but I'll see what time I finish my work. I've not stopped all day x

20:41

If I click and collect for a baby gate now will it be there in morning?

20:41

Do your work

20:41

She'll be up all night with a poorly baby I said it's fine

20:40

I also have no idea where I'd find milk ice pops x

20:40

Well if they're that important why not ask Beth if she has any. If not see if she can grab some in the morning x

20:39

Maiachny I said it will be fine 17 Jan 2018

So I have 20 mins? x

Mal if you can't take the time to go asda for me we don't have the time to shag

Well i just don't feel appreciated at all. Last time you went mad at me as I got £5 worth of cider and a nighty for Emily even though I only had my card on me kicking off that you had no money. Even though I was buying it then spent £50 on photo frames. Plus I have lots of things to do for work which is more important than going to Asda a second time x

Right well why are you looking for sex

Cos it's been almost two weeks. For about a week now you've been angry at me for no reason at night x

Mal you do whatever you want

Mal you do whatever you want

21:26

It seems everything I do or say is the wrong thing x

Ok night

21:30

Ok night. Hopefully we can have a nice night tomorrow. I don't like us being angry at each other. I much prefer it when we're happy x

21:34 //

Ok mal 🙄 could have had a nice night tonight but you chose tv and arguing 🙄

21:35

I came up you said leave you alone so I left you thinking you wanted sleep so I came down and did some work on my laptop. I'm not trying to argue here at all. Just trying to resolve some things x

You were pestering about drugs I asked you to leave me alone. When you realise sex is on the cards you text from downstairs then moan about me. Never know anyone worse at foreplay.

21:39

Well I don't know where I stand. I honestly don't know from one minute to the next if you love me or hate me. For the past (almost) two weeks it's only been hate. It's so draining x

21:40

Literally done nothing to you bar be quiet and have a go about the order. Apologies for grieving. Also sorry you got the order wrong. How dare I bother you with my grief. You just continue to moan about the time I asked you to reorder the tokens. Fucking hate to be you right now.

21:43

It's been one thing after the other. I understand you're grieving and tried to help anyway I can. You don't open up to me so it just feels like negativity towards me and

understand you're giving up on me

tried to 17 Jan 2018 y I can. You

don't open up to me so it just feels

like negativity towards me and

therefore can't help but take it that

way over a prolonged period of

time. Even the odd sorry I'm not

mad at you blah blah remember I

love you. Just once in a while

would make me realise the way

you're treating me isn't aimed at

me. On the heart thing. You can't

see any way you was wrong. I

accept I'm 50% to blame. Instead

of saying you have a message and

waiting for you to reply to it. I

thought here's something I can do

to participate in Katie's wedding.

Therefore I read aloud what had

been sent was instructed what to

write and then read out what I had

wrote prior to sending it. I was told

what I had wrote was correct. Yet

you can't see that any of that is

your fault x

Stop texting me mal you're supposed to be clever. You've done nothing but moan. I told you I wasn't mad at you. You still moan. How dare I grieve. Leave me alone. My friends are here for me that's all that matters.

21:51

I have done everything you've asked. Even tried to do things you haven't asked. But no matter what I do and I mean throughout the relationship it doesn't get a thank you. You only ever see negatives and never think of my happiness x

21:55

Reorder the tokens

Don't add to my stress

Get milk ice pops so my poorly

daughter and a poorly baby don't

have to walk to asda in this

Leave me alone

Told you I'm skint so I can't reorder whatever it was you fucked up.

I try not to add to your stress but the same can't ever be said about you.

If I thought you ever appreciated things I do for you I would have gone. But you don't. You're not thankful in the slightest and I said after last time I will not be going. You said you felt better you could and still can go x

22:00

All this because you wanted sex. And you wonder why you haven't had it in a week.

22:03

Tbf I would have been pissed off at myself if I had gone for sex. I need to grow some balls. I want to feel appreciated. I want you to think of me sometimes. You're grieving I understand I want to help with that. However just now and there you could say something nice that makes me think oh she doesn't

You'll have to take James to breakfast club in the morning

me sometimes. You're grieving I
unders... 17 Jan 2018, to help with
that. However just now and then
you could say something nice that
makes me think oh she doesn't
actually hate me. Or even just
washing up. There was three days
worth of cups and all the shit from
the spag Bol yday. You've been off
all day. Granted you had to take
Icarus to the vets but plenty more
time in the day. You'll have an
excuse to what cropped up but
you never do the dishes unless
someone is coming round that you
know. You just expect me to do
them I get no me time. No time to
relax. Even today I've just finished
my work. If Emily wasn't sick I'd
still be doing my work as I'd have
taken her to swimming. There's no
recognition for the work or effort I
put in. But if there's something I
don't do it's highlighted straight
