Oh good where do we get physio tho

Chester gate. The nurse Laura loves him. We had a good chat. She seems amazing

And did you find out if all these apps are included

No but I don't think they would be much if they aren't as Emilli was there about 5 mins the rest was Laura the physio. He's getting more Diazepam so that will be a charge

11:20 ✓✓

That sounds positive were they happy with improvement

11:24

Very much so. He said his right leg will take time and he may drag it for a while

Hell get there. Make sure you tell all your mates that wanted to kill him how well he's doing

11:27

You have to get a dig in don't you

11:40

They're not my feiends

You have to get a dig in don't you

It's not a dig at all.

11:40

Katie Kelly

They're not my feiends

Well your mum said they were your friends. Whoever they were tell them he's doing amazing

11:40

He's had a massive improvement the past 24-48 hours
