

Emily,  
All the way through your pregnancy I thought  
I was having another boy. When you came  
into this world I remember saying "Where's  
the baby?" I was so shocked, I couldn't  
see myself with a girl. I'm such a tomboy  
and I was always petrified of anything  
happening to you. I was so protective  
of my little angel (I still am) etc.  
out of my spine when you were a baby  
old your grandma, granddad dad sent  
me to bed for a nap and told me off  
for getting so exhausted. You grandmas  
& granddad were so in love with you.  
You look just like granddad Taylor and you  
love your grandmas pretty well! We  
gave you your middle name after granddad  
Taylor mum and Emily after my non.  
Both her fingers hair like you. That made  
you more special. You made your  
grandparents so proud. You were oh so small.
