Have the groomsmen Said out?
12:05

She'll be gone soon
12:05

Told them to stop communicating with you. I will give them dates when they are confirmed. They're saying you have them dates I've said I told them we had no date. They have taken your date over mine. Therefore they've been planning away x
12:17

Should be excited but it's just stressful x
12:18

They haven't booked anything so don't see why it's caused all this
12:19

Cos you gave them dates and they got excited. I have kept quite as we don't have dates and I've told them that but they thought your dates sounded better than my no date so everyone is running round organising stuff. It's not that I'm not up for organising stuff but until the wedding is booked we

everyone is running round

organising stuff. It's not that I'm

not up for organising stuff but until

the wedding is booked we

shouldn't be booking anything else

x

12:54

They haven't booked anything.

Venue is booked and will be paid

off next Monday. Greg has

apologised. Just book late March

or early April. I'm booking my hen

do next week. They just got

excited about a bank holiday but if

there isn't a big enough gap it

won't happen simple. You can do

what you like I just have that 1

specification. And if you want star

trek don't involve me. Nothing do

with me what your groomsman

dress like. So I don't want

messages about that or the stag. I

want excited fucking messages

about our wedding I don't want

want excited fucking messages

about our wedding. I don't want

interfering or they simply won't

come.

13:00

it's a big thing for me to have so

many people at what I wanted to

be a very intimate ceremony. I

think you forget that. You're

inviting people I have met twice

making me feel uncomfortable. I

don't want to feel uncomfortable

on my own wedding day. I don't

think you realise the impact stuff

like this has on me. You've no idea

what I've been through past few

months but I need to feel as

comfortable as possible if you

want to get me down that aisle.

13:08

Well I've told them to not text you

You changed the venue it was

meant to be Gretna I didn't get the

choice to change it

You're inviting people I've met

13:14

When things are officially booked then we can look at things x

out.

I just want them and you to chill

who's been discussing things.

even though it's you and them

I'm getting it off you and them

accommodate you on that

going on so I cannot

You've not told me anything what's

Anyway. What did that fella say

13:4

I'm not saying I don't like them or I don't want them there just stating I've only met them once or twice. The people I want there are important to me. I don't really have a family some of the people I want there I class as family x

13:43

Jay you said you loved and Vicky is family. She had a massive part in my upbringing. Them 3 are all my godparents. Also you don't have anxiety or issues with attention.

13:38

Jay and Vicky's husband. Met Vicky twice x

13:38

What's he said x

13:38

Who have you met once

13:37

I was giving them the heads up not to book so close to the date as I know what Greg is like. The venue is booked I've just got off the phone.

about price etc x

13:48

You have the same amount of

family coming as me. And you are

willing to make me feel

uncomfortable to have people

there that didn't even have you

present for their wedding. Just feel

very unsure about the whole thing

now.

13:49

It's booked. He is matching

Hilton's price but seeing if he can

do a better deal for kids. Deposit

paid to secure date. Just waiting

for his call about deal.

13:50

Andrea got married in vegas

Greg is single

Jay isn't married

I don't know why this is being brought up now x

So how much £3700? x

So Warren didn't have his best mate there to please his bitch of a wife

Suppose he put her first at least once

We said Hilton was 3400

For 50 and 120

He was a dickhead to do that x

OK

He was. Out of order. If you said all these people I like could come but someone I truly care about couldn't for no rational reason then I'd put my foot down x

13:53 ✓✓

What does he mean a deal for the kids? So we can have 50 adults and then kids extra x

13:54 ✓✓

I truly care about lee but wouldn't have you feel uncomfortable. 13:56

It's a bit different taking into consideration my issues. I know full well I wouldn't make it to the door. Too much has gone on over the last couple of months to ignore my issues. If you can't respect that then I don't know what we can do. I have no issue with loved ones being there who I know and feel comfortable with. I've only met Matt 3 times but each time he's been so lovely to me but I can't say that about other people. If I had everyone I wanted there you'd be very unhappy 13:58

very unhappy

12 Sep 2017

13:58

That's a rational reason x

13:59 ✓✓

Well I don't know what your issues are so I cannot accommodate you so sorry you don't speak to me I can't help you x

14:00 ✓✓

And this is why. When I try to talk you just argue for your own way. If you didn't want people who have a past with me present then the numbers would be far fewer.

14:01

If you can't understand how I feel and accommodate that I can't help you.

14:01

Talk to hou* 14:02

No idea what that means. You was happy with the list the other day x

Stop talking to my mates and I've told them the same. I've done sod all wrong but getting it at every

Everyone needs to chill out and

Everyone needs to chill out and calm down x

Chris knew my issues very well and said he wanted everyone to leave the room whilst I walked down the aisle to make me feel better. Just feel like all my issues get forgotten with you. Like you can't understand it.

If you don't talk to me I can't help x

But this is why I don't talk to you

I don't know your issues. I can't just guess them x

You know full well what I've been through and my fear of attention

14:04

It's easier to talk over text but just constantly feel like I'm nagging as you never seem to take in what I am saying.

14:05

You've never mentioned fear of attention you've mentioned fear of big groups but by that you mean crowds of people that are Random's x

14:05

Until you show me some understanding I can't talk to you

14:05

So you think I'll enjoy walking down the aisle? All eyes on me? People I am not comfortable with?

14:05

You need to talk so I can understand you. I can't understand your riddles. If you say these are my issues then I can help x

the case I'd have no one there x

I'm not comfortable with Michelle

but she simply has to be there with

Warren so I can allow that to be

polite. I'm not comfortable with

mairiad but she's your sister and

she has been growing on me of

I'm not comfortable with Andrea.

As for Andrea I'd have her there over warren and greg x

14:11

I have said shes your sister and growing on me. I want to go back to 20 guests. I can't have these people there that make no effort with me

14:11

Well we'll have to arrange a meal with Andrea as I want her there you'll just have to get to know her

14:12

As I said I make allowances for those two but I have no give for Andrea. It's hard enough knowing your friends talk about me like that. I feel uncomfortable enough. So for someone to be there who has made no effort and I know so little is the straw that broke my back. She's had plenty opportunity to go for meals with we have even
