Bring a drunk for her 20:16

She's shouting you 20:20

Would be handy if you can help. Someone's filled the sink to the brim with plates and bowls instead of on the side. Plus all the sides need a wipe down then I need to sort Icarus out as well

I've tried. It is you she is shouting. You sitting with her for 5 minutes could prevent all this.

20:23

And again she's up looking for you
