 No you gave me three options I  
 chose the best

18:45 // You agreed to my third name x

18:45 // Loved Maggie really like Margo and  
 Erin is nice x

18:46 // I would have chosen orlah darcy or  
 something

18:46 // I can't call my daughter something  
 I hate

18:46 // Snap x

18:46 // But you said I could chose so I get  
 to chose the next x

18:47 // Right but you are in the frame of

18:48 // I can't think of anything else I like  
 and the ones you've suggested
