Obviously I just expected fooz

14:49 //
cold x
They're metal and metal conducts
heat easily. So if it's cold they'll be

14:47 //

14:43
Brake disk, no idea why it is
freezing

14:40 //
firestick x
One may be meds one will be a

14:40
Something has just arrived for you.
One of them feels cold like it needs
putting in fridge but no sign on it.
What are they? Can I open?
